UCSD CAPS Post-Doctoral Fellowship for 2014-15

Announcement

UCSD Counseling and Psychological Services (CAPS) is announcing post-doctoral fellowship opportunities for 2014-15. The Fellowship is a 12 month, full time appointment. The stipend is $40,000 plus university benefits. The Fellowship begins August 4, 2014 and ends July 31, 2015.

The Fellowship provides advanced clinical training and involves supervised experience working as an integral member of a team of clinicians serving almost 30,000 diverse undergraduate and graduate students. Responsibilities include, provision of short-term counseling/psychotherapy, group therapy, intake and assessment, and crisis and urgent care. Additional responsibilities include outreach delivery and consultation. Fellows will participate in a clinical or outreach rotations which will be assigned based on demonstrated interest and experience in these areas.

The optimal candidate will possess the following: demonstrated interest and experience working with diverse multicultural, university populations, strong clinical and crisis management skills, outreach delivery experience, organizational skills, basic computer skills, and excellent communication and written skills.

The fellowship fulfills licensure requirements for postdoctoral supervised practice in the state of California. Fellows receive approximately 1700 hours of supervised experience with at least 25% of their hours being dedicated to direct, clinical service.

Requirements

Applicants must have completed an APA-accredited internship and possess a doctoral degree from an APA-accredited program by the start date of the Fellowship. This is defined as having on the first of the Fellowship either the diploma in hand or a letter from the Director of Graduate Studies verifying completion of all degree requirements pending institution graduate ceremony. After selection, a background check is conducted that verifies that candidates have no criminal or other record that would preclude employment in the University's judgment. Formal hiring is contingent on these requirements.
