

Community Forums offer a space where we can focus on building connections, sharing and exchanging ideas, and learning from each other. These forums are offered for free throughout the quarter for all registered UCSD students.

These meetings are not professional counseling. If you would like professional counseling or mental health treatment, please call the CAPS central office at 858-534-3755 to arrange an appointment.

## Forums Offered During Summer Quarter

### **ADHD Support Forum for Graduate and Professional Students**

Hosted by Christina Lambert, Ph.D

### **Grief and Loss Support Forum for Graduate and Professional Students**
