ADHD Support Forum for Graduate and Professional Students

Spring 2022: Mondays 4:30–5:30 PM
April 4 to June 13, except May 30

If you are a graduate or professional student who has been diagnosed with ADHD or think you may have ADHD, you may benefit from participation in the ADHD Support Forum, a caring space to share experiences and strategies for better management of ADHD symptoms. To see if this group is a good fit for you, please contact David Kersey, MD at dkersey@health.ucsd.edu or (858) 534-3050.

This meeting is not professional counseling. If you would like professional counseling or mental health treatment, please call the CAPS central office at (858) 534-3755 to make an appointment.
