

GRIEF AND LOSS SUPPORT FORUM FOR UNDERGRADUATE STUDENTS

Spring 2022: Thursdays 1–2 PM
Week 1 (3/31) – Week 10 (6/2)

Zoom: <https://uchealth.zoom.us/j/84507581330>

This is a support forum for students who wish to work through grief and loss related to death of a loved one. The journey is different for each person; there is no single pattern for grief. Topics are determined by group participants and can include sharing, giving and receiving support, common physical and emotional reactions, self-compassion, and emotional resilience. This is a drop-in forum and students are welcome to join each week or as it fits their needs and schedules.
